Friends and Family Test Confidential Comments: February 2015

Patient comments

Please note, the following comments are from patients who indicated that they did not wish their comments to be made public.

All comments are included in their entirety but all attempts have been made to remove details which could identify specific patients or practitioners.

Please tell us why you answered as you did in question 1:

- I had good response.
- Doctors are thorough and patient. Receptionists helpful.
- Doctors are thorough and patient. Reception staff helpful.
- Because you are friendly and can help future patients.
